ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Ideal for students and professionals seeking a comprehensive computer technology reference. Computers Are Your Future provides extensive technology reference without being overwhelming. Extensive images paired with a definition-driven format supply the reader with a practical approach to computers. Bi

Break through to improved results with MyITLab® MyITLab for Computers Are Your Future is an online homework, tutorial, and assessment program that truly engages students in learning. It helps students better prepare for class, quizzes, and exams resulting in better performance in the course and provides educators a dynamic set of tools for gauging individual and class progress. And, MyITLab comes from Pearson, your partner in providing the best digital learning experiences. Bi This fully integrated learning system includes application Grader projects for Word, Excel and PowerPoint, allowing your students to complete projects in a live application environment and submit their work for immediate grading and detailed feedback. Automated grading provides instant feedback on defined application projects, while open-ended projects encourage exploration and creativity. Bi Note: MyITLab is not a self-paced technology and should only be purchased when required by an instructor. Bi
